All-Star Team Requirements, Fees and Tournament Host Fees:

Foreword:

Due to teams failing to show up for tournaments that they have qualified for, the following requirements are in place in order for a team to participate in All-Stars.

- 1) All-Star teams must commit to participate through the State Tournament if they qualify to do so.
- 2) Each **team** is required to submit a \$250.00 “No Show Fee” in order for their team to participate in All-Stars (due at the first credentials meeting attended). The “No Show Fee” will be returned to the team upon completion of the all-star teams’ obligation (i.e. participation through the state tournament if qualified to participate or upon elimination of further tournament eligibility). If a team fails to fulfill it’s obligation (withdraws from or does not participate in any tournaments that it has qualified for), the “No Show Fee” will be given to the host facility to cover expenses/income that have been lost due to a team not fulfilling it’s obligation. Teams wishing to participate in the World Series will have their “No Show Fee” forwarded to the World Series Committee and will be able to pick up their “No Show Fee” upon completion of their World Series play.

All-Star Team Credential Meeting:

In order to participate in all-stars, every player must have participated in at least ½ of his/her scheduled regular season park games, must not have missed any games due to playing tournament/travel games and must have participated/played in the same age group during the regular season that they are playing in all-stars. Alabama Dizzy Dean will establish a deadline for teams wishing to participate in all-stars to identify themselves; this date will be listed on the State website.

Before an age groups district/regional tournament, Alabama Dizzy Dean will schedule a credentials meeting in a central location. The **coach** from each team wishing to participate in all-stars is required to attend this meeting along with supplying all relevant documentation and fees. All tournament team rosters, birth certificates, consent for treatment forms, certificate of insurance, all-star team fees, and player/coach patches are due/required at this meeting.

The district/regional draw and tournament brackets will be completed during this meeting. The area tournament will be seeded based upon the results of the district/regional tournament and the State tournament will be seeded based upon the results of the area/regional Tournament (there will not be any further credential meetings).

All-Star Teams:

Every team participating in all-stars is required to pay a one-time fee of \$15.00. This fee covers all your Dizzy Dean sanctioned tournaments, District/Regional through the World Series. Any park wishing to do so may pay for all of their all-star teams with one check. If this option is used, list all-star fees in the memo section and make a copy for each team to keep with their credentials information. This fee is different from the \$15.00 regular season sanction fee and is due by the credentials meeting of the first sanctioned tournament a team plays in (i.e. District or Regional). This fee must be given to an Alabama Dizzy Dean Officer at the credentials meeting or before.

All Tournaments Gate Fees:

Every park that hosts a sanctioned Dizzy Dean Tournament (District, Regional, Area, & State) is allowed to charge an entrance/gate fee to help offset their costs of hosting the tournament. The entrance/gate fees (as voted on by the Parks) are currently capped at \$5.00/Adults; \$2.00/6-11 years old; Under 6 years old – free. Host parks may offer tournament passes if they desire.

All-Star Team Patches:

Every player and coach on an all-star team is required to wear a Dizzy Dean patch. The patch must be located on either the shirt sleeve or chest. All patches must be in the same location on all players and coaches. The cost of patches are \$1.50 per patch and will be available at the first credentials meeting a team attends. Parks wishing to purchase patches for all their teams can do so at the first credentials meeting or before by contacting an Alabama Dizzy Dean representative.
